Cleveland County EMS**

Date: July 16, 2018

Re: Bid for Medical Supplies

The attached bid sheet is for our medical supplies. We have tried to improve our process this year to include as many product numbers as possible.

This bid will be good until December 31, 2018. At this time, we will verify that prices will remain the same or if a new bid sheet is necessary and remain current until June 1, 2019.

The quantity of items is not absolute. It could be more or less but we expect to purchase the bulk of equipment immediately following the closing of the bid (once pricing is confirmed and compared). There will be NO SUBSTITUTIONS. We had some issues last year with different items and wish to avoid those this year.

If you have any questions regarding items, please call 704-484-4984.

Bid will close August 3rd, 2018 at 10am. Please return to us via email to ccemsdmurray@yahoo.com or you can mail to:

Cleveland County EMS
Medical Bid
PO Bo 1210
Shelby, NC 28151

Bid results will be available once results are tallied.
