

**ADVERTISEMENT FOR BIDS**

CLEVELAND COUNTY SOLID WASTE  
C&D LANDFILL E&SC IMPROVEMENT PROJECT

**REBID**

located in

Cleveland County, North Carolina

The initial bids for the **C&D LANDFILL E&SC IMPROVEMENT PROJECT** were due **Friday, May 21, 2021**. As three bids were not received for the project in the initial bidding, Cleveland County Solid Waste is rebidding, and requesting sealed proposals for, the **C&D LANDFILL E&SC IMPROVEMENT PROJECT**.

**Electronic Bid Documents (consisting of the Contract Drawings, Project Manual, and Addenda) are unchanged and may be downloaded at the following website:**

<https://www.clevelandcounty.com/main/departments/merchants.php>

A mandatory web-based video Pre-bid Conference to review the Project scope and address bidder questions was held on April 16, 2021, at 10:30 a.m. Prospective bidders who did not attend the pre-bid meeting shall be considered unresponsive.

The cutoff for questions regarding the intent or scope of work was 5:00 PM on Tuesday, May 18, 2021.

Sealed proposals will be received up to **2:00 p.m.** on **Thursday, June 10, 2021** for the furnishing of labor, material, and equipment for the C&D LANDFILL E&SC IMPROVEMENT PROJECT, Cleveland County, NC. There will be no public bid opening for this project. A bid tabulation will be made available after the receipt of Bids.

**For the Rebid of the C&D LANDFILL E&SC IMPROVEMENT PROJECT**, bids should be mailed to: **Garrett & Moore, Inc., Attn: Caroline LaFave, 1029 West South Street, Raleigh, NC 27603. Or emailed to [clafave@garrett-moore.com](mailto:clafave@garrett-moore.com)**. All bids, including those received by mail, must be received before **2:00 p.m. on Thursday, June 10, 2021**. Any proposal received later than the specified time will NOT be accepted/considered. Cleveland County Solid Waste reserves the right to accept or reject any and all proposals or any one item in a proposal.

June 3, 2021

The project site is the Cleveland County Solid Waste Facility located on Airport Road approximately 5 miles northeast of Shelby, North Carolina. The project consists of labor, materials, tools, equipment, and incidentals necessary to complete:

- Construction of 3300' of v-notch earthen diversion berm;
- Construction of 304' of Fabriform channel;
- Excavation of Sediment Basin 4;
- Removal of 400' of corrugated plastic Downdrain pipe;
- Furnishment and installation of riser outlet structures with skimmers for Sediment Basins 4 and 5; and
- Associated erosion and sedimentation controls.

It is the intention of the OWNER to award this contract to a Bidder competent to perform and complete the Work in a satisfactory manner. Accordingly, OWNER will require all Bidders to submit with their Bids evidence of Bidder's certification and license to perform the work and services.

To qualify, all bids shall be submitted using bid forms contained in the Contract Documents. Incomplete or segregated bids will not be accepted. No bid shall be withdrawn for a period of 90 days after bid opening except as provided in Instructions to Bidders. Bidders must be licensed contractors in the State of North Carolina. The Owner reserves the right to waive informalities and to reject any and/or all bids.
