The contract period runs from April 2009 until March 2011. Mr. McCarter explained that due to state budget shortfalls, if the grant is not accepted immediately, funds may be in jeopardy.

ACTION: Ronnie Hawkins made the motion, seconded by Eddie Holbrook, and unanimously adopted by the Board, *to accept the grant funds in the amount of \$75,000.*

FISCAL YEAR 2009/2010 BUDGET PRESENTATION

Commissioners were presented with a draft copy of the FY 09/10 budget along with a draft-copy of the budget message, budget ordinance and revenue and expenditure item spreadsheets. David Dear, County Manager explained that there will be an opportunity for Commissioners to discuss the budget individually. If Commissioners would like to meet as a group, a work-session will be scheduled. He said, "Due to the economic conditions right now, the budget is pretty straight forward." Mr. Dear highlighted the following:

- * All salaries will be frozen for FY 09/10.
- * Health Insurance premiums up 9%.
- * Cleveland County will continue to replace equipment on regular intervals as to not get behind.
- * Cleveland County will continue to support the Jail Expansion Project and the Conference Center Project.
- * Set aside approximately \$1M for future capital projects.
- * All outside agencies will be funded at the same level as last fiscal year.
- * An additional \$25K will be budgeted to Cleveland Community College for utilities at the newly constructed Bailey Building.
- * The only increases to the budget are for mandated services in the Department of Social Services.
- * No tax increase.

Counties will receive complete Medicaid Relief on July 1, 2009. In exchange for Medicaid Relief, the State of North Carolina will be taking the Article 44 sales tax. Cleveland County will come out a little bit ahead in the exchange. Medicaid Relief is expected to save the county approximately \$2.8M.

Commissioner Hawkins addressed the decrease in school enrollment. Mr. Dear explained that there has been a decrease in enrollment, however, the amount per pupil has increased from \$1,649 to \$1,661. The County Manager and the County Finance Director are preparing a spreadsheet that will compare Cleveland County's per pupil funding with surrounding counties.

Commissioner Hawkins also addressed the issue of sales tax. Mr. Dear expected sales tax revenues to be down by approximately \$2.5 Million. These funds will be offset by Medicaid Relief.

Commissioner Holbrook thanked the County Manager and Finance Director for their hard work on the budget. He wanted to go on record supporting an increase in the Cleveland Community College local allocation noting that Cleveland County is still in the bottom 10%.

He further said that Cleveland Community College has seen a 16% increase in enrollment since last year.

Commissioner Accor added that although the county is not funding the Community College the way that they would like in per pupil giving, Commissioners are supporting the college in other ways like the conference center.

COMMISSIONER REPORTS

Commissioner Holbrook:

Dave Hart has retired from Cleveland 20/20 Economic Development Partnership. The 20/20 Executive Committee will meet next week to determine how they will handle filling his position. In the meantime, Assistant County Manager Eddie Bailes will be assisting with Economic Development twenty hours per week.

John Young, Chairman of the 20/20 Economic Development Partnership, has taken a new position with Carolinas Medical Center and has resigned as Chairman of 20/20. Scoot Dixon will replace him.

Commissioner Holbrook encouraged every citizen to lobby for the construction of Hwy 74 Bypass. Last year, a \$300 Million Highway construction project was completed in the eastern part of North Carolina. The traffic count in that area was 9,000 cars per day. The traffic county along Highway 74 is 33,000-38,000. "With the help of all citizens contacting local legislators, this project could move faster."

Chairwoman Boggs:

Chairwoman Boggs reminded Commissioners that they will be appointing citizens to 36 boards at their second June Meeting. A board training will be held on May 4th from 6-8:30 p.m for anyone who may be interested in serving on a county appointed board.

Commissioner Accor:

Commissioner Accor attended that Hwy 74 bypass public hearing where she read the resolution adopted by Commissioners at their April 7th meeting. County Assembly Day will be held on April 29th. The first meeting of the Cleveland County Youth Commission will be held on Thursday, April 23rd. Commissioner Accor attended the Cleveland Regional Medical Center Board meeting where they introduced Bryan Gwynn as the new President and CEO of Cleveland Regional Medical Center.

Commissioner Hawkins:

Commissioner Hawkins also attended the Hwy 74 bypass public hearing where he said there were many "unhappy campers." He discussed the Shelby/Cleveland Regional Airport and explained that the design for the new terminal is in its final phase. This will be a great addition to Cleveland County. The taxiway at the airport should be completed in May. This airport will be a showcase for Cleveland County.

County Manager David Dear:

Bids have been received for a renovation project at the Department of Social Services (DSS). The State Department of Social Services found Cleveland County to be out of compliance when it came to

office space. This project will include the construction of twelve new offices within the existing space at DSS. The architect estimated the project to cost \$300,000. The low bid was \$164,000.
