

just a few ways that a few dollars can make a big impact.

For \$1 a day you can...

help pay the utility bill for a family who is experiencing a crisis and needs a little help paying the bills.

cover the cost of a daily meal for a kid attending an after school enrichment program.

fund three sessions of trauma therapy to a child who has lived through a bad situation.

provide support to an addict who is trying to make strides toward a life in recovery.

For \$3 a day you can...

provide feed, hay and vet care for a therapeutic riding pony providing life changing riding therapy to students with disabilities.

fund after school and extracurricular activities for an entire year for one child living in foster care.

support three students by providing them with a graduation coach to help them meet their goals and start a successful future.

help with emergency assistance for eight families who are experiencing a tough time financially.

For \$5 a day you can...

provide a scholarship for one student to attend a learning rich after school program and summer program for one year.

help create a sensory trail to help participants experience therapeutic riding outside of the arena.

cover the cost of windows for 3-bedrooms and a dining room in a home being built for a family in need of a fresh start.

support a feeding program that is eliminating food deserts and feeding hundreds of people every week.
