Re: Bid Awards

We would like to thank everyone who participated in the bid process for CCEMS medical supplies 2020-2021.

We had five (5) vendors who bid and we have analyzed the pricing and compared items in order to purchase from all five (5) vendors. They are:

- Henry Schein
- Nashville Medical
- Medline
- Boundtree
- Stryker

We are working on quantities and should be ordering the bulk of our supplies this week.

Again, thank you for participating and we look forward to working with you.
